PUBLISHER'S NOTE

We are proud to present the 2019 edition of Pacific Publishing Group, Inc.'s Legal Directory, the comprehensive guide to attorneys, court officials and government contacts in the San Joaquin Valley.

It's also exciting to note that this is the 54th edition of our company's flagship publication. Each year we release this proven, valuable research tool used by law firms, law enforcement and government agencies — everyone who makes our justice system work in Fresno, Kings, Madera or Tulare counties.

In an information-rich environment that is ever expanding, our mission is to facilitate communication among busy professionals, and we feel this publication hits the mark. Our research department is constantly trying to ensure the accuracy of the information compiled in this book. We rely on the legal community to update its contact information. We depend on legal professionals to check their entries and alert us if there has been a change of office, phone number or email address.

If you encounter any issues that should be corrected for next year's publication, please contact Researcher Edward Smith at (559) 490-3448 or edward@thebusinessjournal.com.

As we move into a world where data is increasingly accessed in digital formats, we also welcome feedback as to how the Legal Directory can adapt with the times.

I would like to thank the legal community for its participation in this book. From updating information to taking photos, this publication wouldn't be possible without their cooperation.

We hope this edition of the Legal Directory helps you make the connections you need to operate efficiently and successfully in 2019.

We welcome your feedback.
