Challenges/Opportunities

SADLY, 1:3 women, 1:4 men and 1:3 teens will experience the trauma of domestic violence in their lifetime. As reported by the California Department of Justice, Fresno County has the highest per capita call rates to law enforcement for domestic violence incidences in the state of California. Marjaree Mason Center is Fresno County's only comprehensive domestic violence service agency offering 24/7 crisis response, emergency and longer-term housing, case management, counseling, legal advocacy, children's enrichment, youth prevention/education and programs for those who have caused harm. In 2021, MMC provided critical and life-saving services to more than 8,000 adults and their children to break the cycle of violence and experience the freedom of life without abuse. Marjaree Mason Center cannot do its work alone. Individuals, businesses and private foundations are active partners with MMC through monetary and in-kind contributions as we work TOGETHER to prevent and end domestic violence in Fresno County.

Goals

THE TIME has come for Marjaree Mason Center to begin a new chapter with a campaign we are calling Courage Takes Root. The Center's current facility is more than a century old and on the National Register of Historic Places. No longer able to serve its purpose, we are hindered by the distance between multiple sites and capacity to provide clients with the privacy and security they deserve. MMC recently purchased property, centrally located near the Blackstone corridor, to build a Community Resource Center and provide other vital services. More than just a building, this opportunity will optimize Marjaree Mason Center's already proven strategies to support more adults and their children, transform more lives and end the cycle of abuse in our community. To learn how you can partner to make our new home a reality, please contact Charity Susnick, Director of Development and Communication, (559) 487-1313 or charity@mmcenter.org.

Fundraising/Events

THE tragic murder of Marjaree Mason in 1978 launched a call to action for programs and services to protect and provide for some of the most vulnerable residents in Fresno County. Throughout its history, philanthropic support has fueled MMC's ability to provide hope and healing through uninterrupted 24/7 services to adults and their children when it is most needed – day or night. Marjaree Mason Center accepts all types of charitable contributions including cash, stocks and securities, planned giving and charitable trusts, appreciated assets and in-kind donations. In addition to private fundraising, Marjaree Mason Center hosts two public fundraisers annually to raise awareness and financial support for comprehensive domestic violence services offered by the Center. Marjaree's Legacy Soiree is held each spring and the Top Ten Professional Women and Leading Business Awards is held in October as part of Domestic Violence Awareness Month.

Challenges/Opportunities

LAST OCTOBER, we unfortunately lost our facility in a devastating fire during a roof repair. We are now in the process of rebuilding our facility which served as the living quarters and educational center for the ladies. We are rebuilding BIGGER, BETTER and STRONGER from the ground up! The wonderful news is that with the new design we will now have capacity to house at least ten additional ladies. While we have continued to offer housing and education services in temporary facilities, there's no place like home. This is another worthy project giving you a wonderful opportunity to invest in our community's housing issue and the lives of people.

Goals

OUR SUCCESS rates continue to be far above average! Women can recover and become nurturing parents, active participants in their community and live healthy, productive lives. Substance abuse left unattended escalates, leading to dependency, homelessness, poor parenting and a negative effect on the economy. Light House remains committed in our mission to address trauma, provide education and life skills while teaching values, integrity and healthy lifestyles to women and their children. Your investment is helping someone's mother, someone's sister, someone's friend. It provides healing to those we all share community with.

Over the years, countless children who were placed in the foster care system have been reunified with their mothers. Now happy and healthy they are thriving and exceling under the care and provision of their biological mother. No longer left to the system.

Volunteer/Giving

WE NEED YOUR help to continue our mission of developing women to believe that they can and will recover and lead meaningful lives. Your contributions prepare more women for lifelong sobriety and self-sustainability. Women who participate in our services receive extensive employment training and are required to obtain gainful employment prior to graduation. This training literally moves them from welfare to work, changing the trajectory of their family and our economy. They gain independence and the ability to provide financially for their families. Please find it in your heart today to support the women with an amount that is meaningful to you. With your donation today you can help us continue preparing even more women for the workforce.

WE BELIEVE IN PEOPLE FIRST

Emphasizing the person, not the disability.

INCLUSION

We began in 1954 with one program that served 15 children with cerebral palsy in a small building on the corner of Abby and Divisadero in downtown Fresno.

Today, we have grown to serve over 1,100 children and adults with a broad range of disabilities including cerebral palsy, autism, down syndrome, traumatic brain injury and other intellectual and developmental disabilities.

Unlocking
Potential

Learn How to Protect ALL Children

EVERY child deserves to grow up FEELING safe and loved

The cost of child maltreatment is growing and so is the suffering...

2007 - \$104 Billion

2012 - \$124 Billion

2018 - \$428 Billion

For every \$10 invested in prevention, \$1,000 is saved in intervention ... because **PREVENTION SAVES!**

Social and Emotional Competence

Children's early experiences of being nurtured and developing a *positive relationship* with caring adult *affects all aspects* of behavior and development.

Knowledge of Parenting & Child Development

Children *thrive* when parents provide *not only affection*, but *also* respectful communication and listening, consistent rules and expectations, and *safe opportunities* that promote independence.

Social Connections

Parents with a social network of *emotionally supportive friends, family, and neighbors* often find that it is *easier to care* for their children and themselves.

5 Protective Factors

Resilience

Parents who can cope with the *stresses of everyday life*, as well as occasional crisis, have resilience; they have the flexibility and inner strength necessary to *bounce back* when things are not going well.

Concrete Support

Families who can meet their *own basic needs* for food, clothing, housing, and transportation—and who know how to access essential services such as childcare, health care, and mental health services to address family-specific needs—are *better able to ensure the safety and well-being* of their children.

Protecting children from maltreatment **BEFORE**

it happens requires teaching parents, professionals and all adults what hurts children and what protects them.

For example, of the top 5 risk factors that cause child abuse and neglect, substance abuse has the highest rate involving 85% of all child abuse/neglect cases.

Building strong families to keep children safe and healthy is possible if our community leaders and partners start investing more in primary prevention efforts to target vulnerable families.

Child abuse can last a lifetime if no cares enough to help.

The Foundation at FCOE

Goals

- **Excellence:** To support academic and co-curricular student events coordinated by the Office of the Fresno County Superintendent of Schools, such as Academic Decathlon, College Night, Science Fair, Spelling Bee, Young Authors' Faire, and Career Tech Expo.
- **Access:** To help fund countywide programs that promote opportunities for student success, such as early care and education, empowerment and equity supports, graduation rate improvement, college and career-tech readiness, libraries, technology and more.
- **Innovation:** To provide grants to school programs across the county that demonstrate innovation and improve student educational success.
- **Planned Giving and Endowment Growth:** To seek forward-thinking donors who will provide bequests, endowments, or contribute to our existing endowment with the intention to build toward stability for Foundation funding in the future.

Fundraising/Events

THE FOUNDATION'S largest fundraising event is the FCOE Honors Gala held every September. There are many opportunities for community-minded businesses and individuals to give to the Foundation to benefit Fresno County students, including sponsoring a program or event, providing in-kind goods or services, through unrestricted contributions, or listing the Foundation as a beneficiary in a personal will or estate.

Focuses

THE FOUNDATION fundraises for programs and services that focus on student health and equity, access to early learning opportunities, career technical education programs and enhancing services for students with special needs and foster, homeless and incarcerated youth, among many others. The Foundation is dedicated to ensuring that students have opportunities to discover their talents, interests, and passion through student events and special projects that focus on academics, agriculture, arts, and athletics. At the core of the Foundation's strategic priorities is ensuring all students receive a well-rounded comprehensive education for a positive life trajectory.

Your legacy. Their future.

The promise of bright futures - today.

Do you want to make a significant gift that will transform the work of the Office of the Fresno County Superintendent of Schools for generations to come? You can start investing in the future of Fresno County students today by including a planned gift to The Foundation @ FCOE in your will or estate planning.

It is important to recognize your charitable giving as part of your core values and your planned gift will make an impact far into the future. The planned giving approach will support students in reaching their full potential.

The benefits of starting your charitable legacy with a planned gift include:

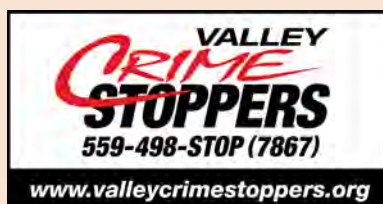

- Potential tax advantages for you or your heirs.
- Designate your gift according to your priorities.
- Preserves your savings and cash flow.
- Allows you to be far more generous than you ever thought possible.
- Easy to arrange by inserting a statement of intent in your will.

For more information on how you can make us part of your family, please contact us today.

Valley Crime Stoppers

Erica Magarian
Program Director

Mission Statement

Valley Crime Stoppers is a non-profit organization with the mission to deter, reduce, and solve crimes by paying cash rewards for anonymous tips leading to an arrest, through partnerships with sponsors, law enforcement, and media within the Central Valley.

Service Area

Fresno County

Information

P.O. Box 3994
Pinedale, CA 93650
(559)515-0211
valleycrimestoppers.org

 @valleycrimestoppers

 @valleycrimestoppersfresno

Fundraising & Events

VALLEY CRIME STOPPERS hosts an annual fundraiser called "June Jam" that garners more than 1,000 guests each year and helps our non-profit with the necessary finances to operate our tips/rewards system. In years past, June Jam has been touted as the largest outdoor fundraiser in Fresno. It's also the most fun to attend—though we may be a tad biased. We have a wonderful venue booked and an exciting theme set for 2023, and can't wait to announce the details to the public soon.

Goals

VALLEY CRIME STOPPERS is excited to grow into its name and expand outside of the Fresno area. With the help of sponsors from valley communities, Crime Stoppers is looking forward to providing our expertise and resources to valley law enforcement agencies to help them combat crime in their area.

Focuses

ILLEGAL fentanyl use is an epidemic in the Central Valley. Dealers are especially targeting youth, and Valley Crime Stoppers is committed to stopping the illegal distribution of this very dangerous and all too often lethal drug. We have increased our reward enhancement to \$1,000 for tips leading to the arrest of fentanyl dealers. Tipsters will remain completely anonymous and will not have to testify in court. Valley Crime Stoppers is also working with local school districts to help spread the word about the dangers of fentanyl use.

Board of Directors

Dale Mendoza
Board President

REMAIN ANONYMOUS | RECEIVE CASH REWARD

Valley Crime Stoppers is a non-profit organization with the mission to deter, reduce, and solve crimes by funding cash rewards to anonymous tips that lead to arrests. We partner with members of the community, local law enforcement, and the media within the Central Valley to enhance our impact.

Ronald McDonald House Charities of the Central Valley

Kent Karsevar, Ed.D.
Executive Director

Deanna Spellman
Board President

Mission Statement

The mission of the Ronald McDonald House Charities of the Central Valley is to provide a "home away from home" and resources for the families of children that are hospitalized.

Service Area

RMHC serves families from Fresno, Kern, Kings, Madera, Mariposa, Merced, San Luis Obispo, Stanislaus, and Tulare counties who need to travel to Valley Children's for their care.

Information

9161 Randall Way
Madera, CA 93636
(559)447-6770
rmhccv.org

 @RMHCCENVALLEY

 @rmhccenvalley

 Ronald McDonald House Charities of the Central Valley

Goals

RMHC CENTRAL VALLEY provides a 'home away from home' and resources for the families of children that are hospitalized at Valley Children's. We believe that when a child is hospitalized, their parent should focus only on their child's health. That's why we work to provide all the comforts of home for families facing medical crisis far from home. We invite our community to support us in our mission. There are many ways to become involved with our organization including volunteering at the house or by sponsoring our events. It is only through the generosity of our community that we can continue to support families during their time of need.

Fundraising & Events

RMHC CENTRAL VALLEY hosts major fundraisers throughout the year to support guest families. Sponsorships for the Red Heart Ball, the Sporting Clays Classic, the From Our House To Yours Telethon, and the FORE! The House Golf Tournament are available now. We look forward to celebrating our mission with our community and raising critical funds for the families we serve.

Annual Event Dates:

14th annual Red Heart Ball | February 11, 2023 | Clovis Veterans Memorial Building

17th annual Sporting Clays Classic | April 29, 2023 | Sun Mountain Gun Club

3rd annual From Our House To Yours Telethon | July 19, 2023 | LIVE on KSEE24

12th annual FORE! The House Golf Tournament | October 23, 2023 | Copper River Country Club

For more information, visit www.rmhccv.org.

Volunteer

SPENDING a long day at the hospital with your child is extremely difficult. That's why RMHC Central Valley aims to provide all the comforts of home for guest families, including breakfast, lunch and dinner. RMHC Central Valley's Meals From The Heart program welcomes volunteer groups with up to six participants to cook or provide a take-out meal for guest families. Through this program, volunteers can really support guest families at the end of a long day at Valley Children's. Vaccination against COVID-19 is strongly suggested for volunteers entering RMHC Central Valley, and masks and temperature checks are required. To sign up, visit www.rmhccv.org.

Leave a Legacy

A legacy gift, left through your will, retirement plan, life insurance policy or other means, can ensure that your legacy makes a lasting difference. Your gift can help families with sick children for generations to come. To start a conversation, please contact Dr. Kent Karsevar at 559-447-6770.

At RMHC Central Valley, families can stay together and remain strong for their child.

For 38 years, RMHC Central Valley has provided a "home away from home" and resources for families who are coping with the physical, emotional and financial burdens of having a seriously ill child in the hospital. Each year, hundreds of families stay at RMHC Central Valley and experience a comfortable and calm place to maintain a family bond during a difficult time.

RMHC Central Valley relies on the generosity of the community to provide all of the necessities of home for guest families. We thank you for your continued support of the RMHC Central Valley.

How To Support Our House

- Give a monetary gift
- Sponsor our annual events
- Help feed guest families
- Become a volunteer
- Donate wish list items
- Round-up your change at McDonald's

Fundraising & Events

White Hot Summer Night Saturday, July 8, 2023

This is the party of the year – not to be missed! All guests arrive in WHITE attire ready to dance the night away while raising funds for a much-needed cause – Cancer Care. The event features a cocktail hour with an exceptional silent auction, dining under the stars, LIVE auction, Vegas entertainment, premier whiskey bar and cigars. Get your tickets early, it's always a sellout!

Hot Pink Classic Golf Tournament Friday, October 13, 2023

FORE the fun of it! The Presidents Club designed this tournament with philanthropy and endless fun in mind, while raising funds for the Marjorie E. Radin Breast Care Center at Clovis Community Medical Center. This tournament leaves you on the edge of your golf cart at every turn. The day starts with breakfast and ends with dinner and many pink cocktails in between.

Focus & Success

COMMUNITY-MINDED AND HARDWORKING, their hearts are big and their commitment is rock-solid. Advocating and fundraising for Community Cancer Institute is not a chore to them—the only chore is sometimes how to harness all their creativity and energy! This “magic” has allowed the Presidents Club in a few short years to establish a legacy organization that has generated over two million dollars and with its strong foundation, will be a revenue generator for the Community Cancer Institute and the Marjorie E. Radin Breast Care Center for years to come, along with a new passion for neurosciences and the Level I Trauma Center.

PRESIDENTS CLUB

Through the generosity of our supporters, we've raised **over two million dollars** for cancer care at Community Cancer Institute!

Vision

THE CENTRAL VALLEY: No barriers. Just opportunity. All people.

Priorities

HERE AT THE CENTRAL VALLEY COMMUNITY FOUNDATION, we are committed to big and lasting change. We drive strategic investments that benefit our community and donors. The possibilities of making a difference are endless! We work with donors and their families to develop personalized philanthropic strategies, opening doors to community partners that align with their interests, offering tax-advantages using 7 different fund types to help accomplish their goals. Our Foundation's focus and community impact projects are aimed at transforming entire systems, not just fixing symptoms. Fresno D.R.I.V.E (Developing the Region's Inclusive and Vibrant Economy) is a 10-year plan that advocates for \$4.2B of investment with a focus on Economic Development, Human Capital, and Neighborhood Development. Since 2017, we've raised over \$260,000,000 that has been invested in our region's biggest challenges.

Successes in 2022

IN SEPTEMBER 2022, President Biden announced the U.S. EDA's 'Build Back Better Regional Challenge' awardees, naming Fresno DRIVE's Fresno - Merced Future of Food Innovation (F3) initiative the recipient of \$65.1M in funding, the largest grant awarded. The project commercializes solutions for climate-adaptive food production needed locally and globally while creating quality jobs for Central Valley workers. F3 addresses economic, agricultural, and climate challenges, positioning our Valley's industry and farmers to be competitive and sustainable.

Fundraising & Events

CVCF'S FRIENDS OF THE FOUNDATION members are essential! They allow us to lift up the Valley by attracting funding, creating opportunity, and multiplying investment. To celebrate the impact we make together, our Friends enjoy two extraordinary supper experiences. From a block party on Fulton Street to a Drive-Thru Irish Pub, our friends explore new facets of the region while investing in making it better. Please consider donating to CVCF and becoming a Friend today! www.centralvalleycf.org/friends

Louie Martina
Chairman

Mission Statement

MMI is a faith-based organization that exists to deliver hope to people in need through the deployment of medical supplies and equipment and through medical and construction teams.

Service Area

Fresno County

Information

Headquarters:
1501 Broadway St. Fresno, CA 93721
Mailing Address:
P.O. Box 11829 Fresno, CA 93775
(559) 324-1255
medministries.org

@ Medical Ministries International
 @MedMinistries

Purpose

Thousands of people in third-world countries die annually due to a lack of basic supplies. MMI is intervening globally and locally. We partner with Physicians, health care organizations and all individuals with a heart to send medical help to those in need.

Focus

The lifesaving work of MMI was birthed in 1998 by Tom and Nancy Stoeckel. Today, MMI collects equipment and supplies from local hospitals, clinics and individuals. MMI sorts, repairs, packs and ships them in 40-foot shipping containers to our international partners requesting support.

Fundraising 2023

With a single sea container, we can deliver \$450-\$500K of medical equipment. On average it costs \$20,000 per delivered container. A pallet of 12 boxes is an average of \$600. A packaging box is an average of \$50. Through your financial donation or gift of time, you can support MMI in Medical Aid Supplying Hope.

Goals

- Ship 10- 40' containers in 2023.
- Launch "One Roof " campaign to consolidate warehousing.
- 8,000 SQ. FT. | Loading warehouse
- 2023 Annual Fall Gala

Board of Directors

BRINGING HOPE to those in need

Prayers for healing are being answered all around the world, thanks to the compassionate volunteers of **Medical Ministries International** (MMI). Through your financial donation or gift of time, you can join MMI in providing needed medical care and supplies to those who will otherwise go without.

You can make a difference.

GIVE, GO or PRAY.

Success in 2022

After a two-year hiatus due to the pandemic, the Fresno Philharmonic returned to live concerts in the William Saroyan Theatre. This included welcoming back over 6,500 fourth grade students from over 120 Fresno County schools to participate in our annual Link Up music education program. Through a hands-on curriculum designed by Carnegie Hall, students explore orchestral music and perform alongside the Fresno Philharmonic’s 75 professional musicians each May. This program is made possible by generous community donations, participation from local districts (including Fresno, Sanger, and other area schools), and an invaluable partnership with the Fresno County Superintendent of Schools. Link Up is provided to participating schools at no charge to the schools or students. In September, we presented a special performance by Jazz at Lincoln Center Orchestra with Wynton Marsalis.

Fundraising / Events

Back by popular demand, the Fresno Philharmonic’s second annual Farm to Fiddle Dinner Party brings together two of the Central Valley’s signature creations: food and music. Join us in The Barn at the River Parkway on Thursday, April 20, 2023 from 5:30 – 9:00pm. The evening begins with local wine and cocktails, a bountiful grazing table, and a special performance by Rei Hotoda and members of the Fresno Philharmonic. A seated farm style dinner with local specialties completes a magical evening in the spectacular setting of the San Joaquin River Parkway. Farm to Fiddle event proceeds support the music and education programming of the Fresno Philharmonic. Tickets available at fresnophil.org or by calling 559.261.0600.

Focuses

Now presenting its 68th concert season, the Fresno Philharmonic focuses now more than ever on making the highest caliber of music available and accessible to all. Music Director Rei Hotoda continues in her sixth year at the helm of the Fresno Philharmonic, highlighting works by a diverse array of living composers and classical masterpieces. The result has been wonderfully inclusive and vital programming that both honors the symphonic tradition and extends it to the present day by reflecting the world around us.

Success in 2022

We graduated more women from our program, all of which are now employed, have their own homes, and one graduated nursing school. Also, we were awarded first prize of \$10,000.00 from the Fresno Chamber of Commerce for being the best food of Fresno County, our Dog's Dig 'Em dog treats rock. We continue to add more retail locations including Savemart stores.

Goals

Saint Francis' goal is to employ as many women who have experienced human trafficking, addiction and domestic violence as possible, to help with their job training and education. We build second chances and find jobs for their future.

Focuses

We are committed to helping disadvantaged women get second chances. Thanks to a lot of wonderful community partners we have a very high success rate of employment and women going back to school to earn degrees. It's all about working together to help us all make this community a better place.

■ Focuses

WE BELIEVE IN PEOPLE FIRST, emphasizing the person, not the disability. We began in 1954 with one program that served 15 children with cerebral palsy in a small building on the corner of Abby and Divisadero in downtown Fresno. Today, we have grown to serve over 1,100 children and adults with a broad range of disabilities including cerebral palsy, autism, down syndrome, traumatic brain injury, and other intellectual and developmental disabilities.

■ Success in 2022

COMMUNITY WITHOUT BOUNDARIES. Our children's programs offer parent training, speech, physical therapy, and family resources, and reach families that need it, with 200+ in-home and community visits per month and 78K service hours per year. Our adult programs offer art, health, fitness, cooking, gardening & computer classes, and community exploration opportunities that amount to 300K service hours per year. We maintain a fleet of 35 free transportation vans with 44 routes making 240 trips per day.

■ Goals

In 2023, our staff of over 140 passionate, committed people will speak the language of "people-first" during our \$7.5 million Capital Campaign for our new Fresno campus.

35,000 SQ. FT. | 9 Classrooms | Arts & Tech Centers.

Marketing Director's Note

Abner Garcia
Director of Sales and Marketing

■ Marketing Director's Note

Dear readers,

Welcome to the inaugural edition of the Philanthropy Guide, which we hope will become an annual supplement to feature the various community benefit organizations that serve the Central Valley.

We were inspired to launch this publication after the pandemic — a time when the nonprofit community needed its voice to be heard the loudest. In these pages you will learn about the mission, success, hopes and dreams of several nonprofit organizations to assist in your end-of-year and year-round contributions. These organizations are devoted to helping the most vulnerable among us.

We wish to thank all of the partners and clients that made our first Philanthropy Guide possible. We hope to continue this tradition and offer even more opportunities to showcase local nonprofits.

Sincerely,

Abner Garcia
Director of Sales and Marketing
